

IUSB Chapter of the Association for Computing Machinery

Greetings, You are invited by the current leadership of the
IUSB ACM
to a presentation

Iridescent Colors in Computer Generated Imagery

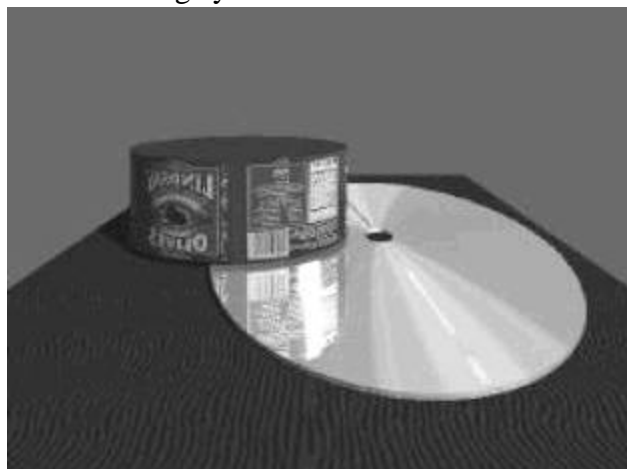

by
Stephen Thorman

of
Andrews University

The meeting is to be held in the conference room **NS152** in **Northside Hall**
Wednesday Night, Nov. 19, 2003 at 8:30PM.

Please come hear about the mechanisms in nature that produce iridescent colors and how the shading models in computer graphics can be adapted to create imagery that exhibits iridescent coloration.

Stephen is an old friend of Dr Wolfer.
Thank You for your interest.
